4x Single Classes	\$540	\$580	\$640

Fee Information and Policies:

- Fees are GST inclusive
- Fees are payable by Credit Card (online) and Internet Banking.
- No refunds are given for missed classes or the decision to not continue for the remainder of a term.
- One Introductory class/ free trial is offered to each student for each dance style available to them, It is then their (or parent/caregiver) decision whether to enrol for the term (or remainder of).
- If you cannot attend your scheduled class for the week and there are more than one lesson per week for that level of class you may attend ONE "make up" lesson upon confirmation from the office once per term. Any alternative "make up" lessons will be charged at the on time rate of a single class.
- If you become injured or ill and are no longer able to participate in classes for the remainder of term there are no refunds given. Upon receipt of a doctors certificate we may be able to offer a partial credit to your next term (at the discretion of cDa), but we encourage observation of classes over absence if able.
- Early Bird Payments are to be received in total within one week of statements being charged. On Time rates are to be received no later than the first day of term. Late Payment is when payment is received after the first day of term. If fees have not been received by the office before the end of term, further action may be taken.
- Dropping out of a class may be done so at the end of Terms 1, 2 or 4, this can be done by going onto your parent portal and withdrawing from the next term.
- Fees are charged at a per-term basis (whether 8, 9, 10 or 11 weeks long, apart from term 4). Your invoice for class fees will be the same for each term unless you change classes.
- There is a family discount (for two or more dancing siblings). This starts at 10%, more details can be found in the handbook or through your parent portal.
- We encourage you to pay via Credit Card and there is no convenience fee. If you are unable to pay the entire amount before term commences, the best way to avoid punitive charges is to sign up for Auto-Pay.
- Auto-Pay enables you to spread the cost of a term's lessons by splitting the cost over three payments over three months: 40% before the commencement of that term, 30% first Monday of the following month and 30% the first Monday of the following month. Auto-Pay clients are reminded that charges are about to be made before each withdrawal to keep you informed and to help you ensure the funds are in the correct account.
- If term fees are not paid before the end of the term, your dancer will not be able to participate in the next term until all payments have been received.
- Our Early Bird rate is for the benefit of our current students, or students who have enrolled and paid within a week of being charged. Students who enrol part way through term will be invoiced at the On Time amount but will be eligible for the Early Bird payment for the following term. Students who have enrolled part way through the term will be invoiced at the pro-rata amount.

- Alongside the Term Three invoice there will be the concert costume fees charged per dance per student.
- Alongside the Term 4 invoice there will be the concert media charge to include the video file and photos.
- There will not be a separate performance/concert fee, this is built into the term 4 fees which is why there is a shorter term 4 (which works well as families get too busy at the end of term 4).
- All regular classes observe statutory holidays (unless in the lead up to show preparation). If your class falls on a Statutory holiday there will be no amendment to invoicing unless this works out to be more than two class days per term.
- Unfortunately we are unable to accommodate make-up sessions for students who miss classes as our timetable is currently full (this includes private lessons), but will make every endeavour to schedule a catch-up class in the unlikely event that Chandler Dance Academy needs to cancel, postpone or reschedule a lesson.
- There is a \$25 registration fee to be paid upon new student enrolment to secure place in class. This is a non-refundable amount.
- There is to be no videoing of regular scheduled classes, watch week classes, additional exam classes, show rehearsals or private lessons by parents, caregivers or family members. If a staff member sees you videoing a class you will be charged \$500 for the privilege and breaking of our privacy policies. Teachers may video aspects of the class for practicing purposes or for discussion and training of other teachers or other reasons explained and agreed upon on your enrolment.
- If you drop out of a class/es after you have been invoiced and before term commences there is a 20% charge for class place reservation and administration costs. If you drop out AFTER term has started you will be charged for the number of weeks of term that classes have been offered at the time of written notification to the office.
